ORDER

As per the paper read as 1st above, it was ordered that the following procedures should be followed for submitting the technical programme of Ph.D students for approval.

“The Ph.D scholars have to submit sixty hard copies of their technical programme (group meeting approved) within a week to the Professor (R.C) for forwarding to the members of the FRC. The FRC members can communicate their comments/remarks on these Ph.D projects to the Professor (R.C) and to the major advisors. The Professor (R.C) will be presenting these comments to the FRC meeting along with the reply of the major advisor. No individual presentations of scientists will be made and final decision will be taken in the FRC meeting.

For getting approval of these projects in the Academic Council, all the Ph.D scholars will have to submit another forty copies of the corrected technical programme to the Professor (R.C), immediately after the FRC.”

A proposal for modifying the above orders by permitting the Major Advisors to present the Ph.D programmes of their wards in the Faculty Research Council for approval was placed before the Special meeting of the Academic Council held on 14.12.2020. The Academic Council decided that Ph.D students shall present their technical programmes in the Faculty of Research Council, and the technical programmes shall be submitted as soft copies.

In consonance with the decision of the Special meeting of the Academic Council, the following orders are issued.

1. The Ph.D students shall present their technical programmes in the Faculty of Research Councils.
2. The technical programmes shall be submitted as soft copies instead of hard copies.

The order read as 1st above stands modified to the above extent.
